Commodore's Introduction

A new season dawns, full of promise and lots of sailing opportunities.

Over the winter months the sailing committees have been beavering away on your behalf and have come up with a great programme of events for dinghies and cruisers. All the old favourites are there plus one or two new events. It is rumoured that the cruisers are planning something special to celebrate 30 years of the PASAB but we will have to wait until nearer the anniversary date in August before all will be revealed!

There are also developments on the training front with training occupying an extended time slot on Wednesday evenings throughout the season. We have a marvellous asset in the expanding team of qualified instructors which has been built up over recent years and they do much to attract new members and to enhance our reputation as a responsible and active club.

During the winter almost 30 members have studied RYA navigation classes of various kinds so we look forward to seeing them all on the water with hand bearing compasses and tide-tables at the ready - not to mention honing their collision avoidance skills!

In August we will be hosting the Laser 2000 and Laser Vago national championships. Those of you who have helped with championships in the past will know what great fun it can be as well as being a major fund raiser for the club. It puts our name "on the map" and enables us to contemplate major purchases such as rescue craft and club house enhancements. So please reserve the date (Aug 10th -15th) in your diary now and make sure that you are available to join in the fun. Your club needs you.

I look forward to seeing you all on the water during the season,

Terry Marks, Commodore

Fun Sails and Weekend Events

Wednesday Fun Sails are organized by the Training Group for trainees and less experienced sailors to practice their skills and gain confidence under supervision or for more experienced sailors to receive expert advice from the Club Coach.

Saturday Weekend Events are non-racing dinghy sails for family and friends to places around the Bay with a safety craft to accompany them. Cruisers are welcome to join in too.

Oriel Marks, Hon Sailing Secretary (Dinghies)

Handbook Sponsorship

I would like to express the Club's thanks to the Isles of Scilly Steamship Company Ltd for their continued and generous sponsorship of the printing and production of this handbook and related documents.

Mike Winiberg, Vice Commodore
